References Category:1989 albums Category:Blue Estuary albums The first images of the McLaren 720S have appeared online after the UK-based team officially unveiled its car with a custom liveried 650PS 650LT coupe that features carbon fiber bodywork and luxury-enhancing features such as a TV infotainment system in the center console and an automated folding and unfolding system. The McLaren 720S is the fastest of the four models launched with the new 720S supercar (the others being the 570S, 570GTB and 570S GT4). We have had a first look at the McLaren 720S in the States, but now the British team has unveiled its most powerful model to date. And, yes, the 675LT is indeed the UK name for the US-market 720S. What's the difference? Well, the US model will have its new twin-turbocharged, 675PS 2.9-liter V-8. Like all new McLarens, the 720S has a brand-new bespoke carbon fiber body that makes use of 'Hypercar' technology for a weight saving of 200kg. The 720S design incorporates styling elements that echo the iconic
