One of the first non-organic food items to gain a significant following in the US was Soylent. Early adopters hailed the drink as the perfect meal, and other lesser known players have since come along to add flavor to the mix. Ithaka Institute, creator of Ithaka Cornbread, has announced Ithaka, a protein bar that's now available for pre-order. Ithaka is part of a new generation of "natural food" bars and powders that promise to deliver high-quality protein with no additives or GMOs. It's also a lot like Soylent in that it's designed to be a single-serving, ready-to-drink supplement. The newest entrants to the natural food bar scene are hoping to capitalize on the upward trend of nutritionism. Vibrant companies such as Naked Foods, Erewhon, Health Warrior, Chobani,
